2 Problems	1

1 Quick Review

This is a quick review of the content covered the last week.

1.1 Subsection

This is a section to put more specific stuff. Like this epic theorem:

Formula X

This is a fancy place to put definitions and formulas. I need to type more stuff here tho, ngl.

2 Problems

1. **(Conceptualize)** This is where you will type the problems.

- (a) This is a subquestion
- (b) This is a subquestion
- (c) This is a subquestion

2. **(Explain)** Yo bro, explain some stuff right here bruh.

3. **(Derive)** This is where you will type the problems.

4. **(Apply)** This is where you will type the problems.

5. **(Visualize)** This is where you will type the problems.
